**Welcome to the Blue Wren Bush Café**

**Please Order and Pay at the Counter**

We make our delicious rye sourdough bread using 100% organic wholegrain flour. Our precious honey comes from local bee keepers who often have their hives on our property. Vegetables are picked from our green house as much as possible. Fruit, eggs and dairy products whenever possible are sourced locally.

All our pizza bases are homemade and pre-cooked in our wood-fired oven. All bases are topped with our house-made tomato sauce and dried organic herbs from our green house.

Our German sausages and Sauerkraut are sourced from a traditional German butchery based in Sydney. The Sauerkraut is finessed in-house from an old family recipe.

Our scones are made by Maria with love and expert hands. Regina, Kimi and Eva hold the secret to our delicious house-made Gelato.

We have made the move away from plastic straws and now use paper straws which are 100% recyclable. We encourage everyone to say no to plastic straws.
